Director's Message

I always enjoy this time of year when the Southern Cross Exhibition comes around. I get to receive emails with all the wonderful images coming in from stereo photographers from around the world. This year there were entrants from Australia, Germany, Norway, New Zealand, UK and USA. In total 51 people entered images in the open section with 40 also entering images in the Landscape/Seascape section as well.

This year the main exhibition screening will be held at our Sydney Stereo Camera Club meeting in May. The Southern Cross exhibition will also have screenings at the Victorian 3D Society in Melbourne and at the New Zealand Stereoscopic Society in Auckland New Zealand later in the year.

A special thank you to our selection panel (Judges), Jim Metcalfe, Patricio Parrague and Bob Price. We had a great evening selecting the images for the exhibition.

My thanks to all who entered the exhibition this year. Without your participation the Southern Cross would not be possible. It is always a pleasure for us here in Australia to view the work of photographers from around the world. Congratulations to the major award winners and HM awardees. I am looking forward to your entries again next year.
