## Director's Message

I am going to miss this time of the year when the Southern Cross Exhibition comes around. After being Exhibition Director for 13 years it is time to pass this role on. Next year Jim Metcalfe, one of this year's Judges, will be taking over the role of Exhibition Director.

Looking back, a lot has changed in those 13 years. In 2006, my first year as Director, we had the Slide Only Southern Cross exhibition with 47 entrants. In 2007 I introduced a web electronic image version with image size of just 360x420, the image size that would fit side by side on the monitors of the time. This was well received with 26 entrants, so the club purchase a digital projectors setup in time for the 2008 exhibition, where we opened it up to 1048x768 pixel images. This was the start of the transition to digital exhibitions. By 2012 the slide entrant numbers had dropped to 26, so we had to close the slide section of the exhibition and we added a landscape section of digital images. The Sydney Stereo Camera Club updated it digital projectors for the Australian National Stereo Convention in 2013, and ever since our exhibition has been open to wider (1920 x1080) images. It has been very enjoyable to be involved in these developments, and to have the entrant numbers for the exhibition stabilise around the 40-50 entrants each year.

A special thank you to our selection panel (Judges) for this year, Bob Price, Jim Metcalfe, and Carlton Wright. We had an interesting and enjoyable evening selecting the images for the exhibition.

My thanks also go to all of you who entered the exhibition this year. Without your participation the Southern Cross International Exhibition would not be possible. It is always a great pleasure for us here in Australia to view the work of photographers from around the world. Congratulations to the major award winners and HM awardees. Jim is looking forward to your entries next year.

Andrew Read

Director, Southern Cross Exhibition
