# Chair's Message

Thank you to everyone who participated in the 2026 Southern Cross Exhibition. We received entries from 47 photographers spanning 11 different countries, a small increase from last year.

This year, we were pleased to welcome 4 new entrants, who collectively achieved 9 acceptances plus the New Exhibitor award. We also saw the return of several recently-new entrants. I believe our New Exhibitor award helps to sustain and grow our 3D community, so sincere thanks to all of you who encouraged others to participate.

This year the PSA allowed only 7 awards per section, so we could only select 1 HM in the Open section and 3 in Scapes. Fortunately this limitation will be reduced next year, so more great images will get the recognition they deserve.

A gallery featuring all award-winning and accepted images has been published on the [SSCC website](#). Two full resolution videos with all accepted images recently premiered at the 29th Australian National Stereo Photography Convention, and it was great to see these images in all their glory on the big screen. They were also screened at the Sydney Stereo Camera Club and the Victorian 3D Society. If you would like to view the exhibition at your local club, please ask your projectionist to contact me so we can make arrangements.

And finally, I want to extend a special thank you to our judges, Carlton Wright, Bob Price, and Andrew Read for their time, effort, and invaluable expertise in selecting the exhibition's images.
